All,

Not sure others will find this helpful, but I took a crack at outlining Maine's argument and putting down some initial thoughts. The outline generally follows the outline provided by Maine, with a few exceptions where it seemed more clear to me. My thoughts are in red. If you want to edit it, [here's a sharepoint version](#).

I didn't bother to put down markers for responses that we already have generated in our RTC document.

Look forward to discussing tomorrow.

Mike

Dave – Thursday the 22nd, not Wednesday. Is that equally good for you?

I just looked at calendars, doesn't appear to be anytime that works for all. However, all EPA folks have Thursday 11-12 EST reserved for our biweekly ME workgroup call. I propose we use that time to discuss ME's brief. Are you free then, Dave?

I can let Jenn know the attorneys need to use that time to discuss ME' brief.

Sound good?

Hi all: Maine filed its brief this morning. It is attached. I have not yet read it. Let's discuss next week at some point. Weds and Thurs are best days for me next week.

Thanks,

Dave
